24 SECURITY
FOR YOUR
CARAT VALUABLES

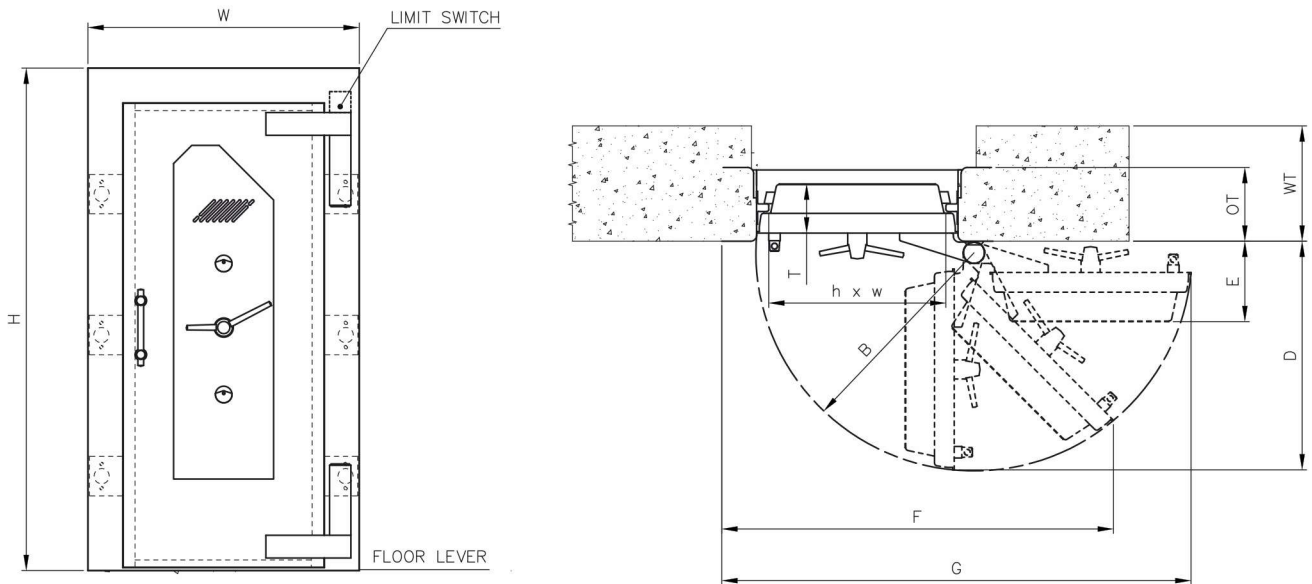

DEFENDER **AURUM NX**

In the Indian Jewellery market and an ever growing Indian economy, there is an increase in value of assets, hence an imminent need to secure these assets even more. Also with technological advances, there has been an advancement in the sophistication level of the burglaries too. Keeping this sensitive segment in mind, we recommend our enhanced and new wide range of security products which are now not only Tool Resistant* but are also able to withstand the new age advanced burglary attacks.

Our Godrej Defender AURUM NX Door specifically designed to fit into a typical jewellery shop offers Torch and Tool Resistance thus securing your precious valuables from these attacks.

Features

- Godrej Double Duty Barrier material provides reliable protection against burglary and fire
- Fitted with 2 dual control high precision 8-lever locks from Godrej which are protected by specially designed drill-defeat shield
- Automatic re-locking device deadlocks the door in case of explosive or mechanical attacks on the lock
- Compact structure of clear height of 5 feet specifically designed for Jewellery shops.
